## **FOR IMMEDIATE RELEASE 10/20/2015 DRUG ARREST**

On 10/19/15, the Frederick County Sheriff's Office arrested Darryl Craig Lafratte, age 34, Jessica Lynn Jacobs, age 25, and Danielle Aline Sampson, age 28, all of Brunswick, on drug related charges. Lafratte was charged with creating a counterfeit controlled dangerous substance (CDS), possession of counterfeit CDS with the intent to distribute, possession of CDS, and possession of CDS administration equipment. Jacobs was charged with three counts of possession of CDS, possession of CDS administration equipment, and possession of CDS paraphernalia. Sampson was charged with possession of CDS, possession of CDS administration equipment, and possession of CDS paraphernalia.

At approximately 1:25 p.m., deputies responded to the Sheetz gas station located on Buckeystown Pike in Frederick, for a report of a strong arm robbery that just occurred. Through the initial investigation it was determined Lafratte agreed to purchase prescription medication Klonopin from a female, but left after taking the Klonopin without paying her. Lafratte, Jacobs and Sampson were detained after Brunswick Police stopped their vehicle on Maryland Route 79 at Greenwood Street in Brunswick. Lafratte told police he threw the Klonopin out of the window prior to being stopped.

During a search of Jacobs suspected heroin was located and seized. Deputies located and seized a bottle of pills marked as CDS Clonazepam, and hypodermic syringes containing suspected heroin residue during a search of Lafratte. Deputies also located and seized from inside the vehicle hypodermic syringes containing suspected heroin residue, a small plastic bag containing pills marked as CDS Carisoprodol, parts of two aluminum cans with suspected heroin residue, numerous baggies containing suspected heroin residue, and a baggie containing pills marked as CDS Buprenorphine.

Lafratte, Jacobs, and Sampson were arrested without incident and transported to the Frederick County Adult Detention Center's Central Booking Unit for processing. The CDS and paraphernalia were placed on property as evidence with the Sheriff's Office.
